

HOW TO JOIN OUR ALTON HOG MEMBER'S ONLY AREA

Featuring: Member's Directory ⚙ Forum ⚙ Chat Room ⚙ Newsletter Archives ⚙ Classified Ads

Only current members (membership dues paid for 2009) of Alton HOG will be able to enter the Member's Only area. You will need a username and password (self-selected) to access it. This is to protect privacy. This PAGE contains instructions on how to find and gain access to the new Alton HOG Member's Only area.

Please read the following carefully:

Go to our website at <http://www.altonhogchapter.com/>- and go to the "Links" page (Click Links button - left margin of any page). On the links page, look for our HOG rocker logo in the upper left corner, and click on the link beneath it that says "Enter Member's Only Area"

You will land on a log in page that says "ERROR 401 UNAUTHORIZED". Don't let that throw you, that's the log in page. To protect our privacy, that's all anyone visiting our website will see if they click the link from our website, unless they are a member and log in. Lurkers and visitors to our website will not be able to enter the Member's Only area.

We have chosen Yuku to host our new Member's Only area. If you do not have an account with Yuku, your first step will be to create one. Click the black "Sign Up" button in the center of the grey top margin at the top of the page, OR the "Create a new profile Here" link. You will be prompted to complete fields to create a user name and password.

If you already have an account with Yuku, you can use your existing username and password to apply for membership to the Alton HOG Member's Only area.

After you have a username and password, return to the log in page and log in. Because this is a "membership by approval only" board, the first time you log in, you will be directed to a welcome page that says:

Apply For Membership

Membership by application only community

In order to gain access to the Member's Only Area, you must be a member in good standing of the Alton Harley Owner's Group (AltonHOG). If you are interested in joining this site, please type in the message box below: - **1. Your real name - 2. The username you created to sign in with - 3. Your email address.** And then click the "apply for membership" button. You will be contacted via email when your access has been added. This requires one of the officers to see your pending application and click you in, but we're checking frequently, so it shouldn't take too long. If you haven't received confirmation of approval in 24 hours, please [email](#) Joe, the Alton Hog Membership Officer.

=====

The above step is a **one-time** approval process. This stops strangers from registering. After that, when you visit the Member's Only area and log in with your username and password, you will go directly into the Member's Only area.

Your first order of business upon gaining access, after you've had a chance to look around, is to add yourself to our new Member's Directory 😊. This takes the place of the Buzz Book. It is self reporting, and you will also be able to edit your information yourself whenever needed, post a picture of yourself, etc. Instructions for how to make your listing in the Member's Directory are found inside the Member's Directory folder.

If you have any questions or problems, feel free to [email](#) me, and I will be happy to help.

Karen - Alton HOG Webmaster
